Dear Mr. Mills,

I find objectionable the proposed installation of the 138-foot monopole cellular telephone tower at 1913 Rudy Lane, Louisville. My home is in the adjoining subdivision of Robinwood and I certainly do not want to see such a tower erected there.

I hope you will consider my concern.

Sincerely,  
Marguerite Stanley

CONTEL CELLULAR of Ky. Inc

4 1/2/a CELLULAR ONE

1913 Rudy Lane

Dear Sir:

It has come to my attention that  
Contel Cellular of Ky. Inc. wants to locate  
a 138 foot monopole cellular telephone  
tower at 1913 Rudy Lane, Lou., Ky. 40207  
This is an intrusion into the residents  
area as well as Dunn Elementary School.  
This site is specifically approved for off  
use only and would defeat the Plan  
Certain Protections on the property.  
I strongly disapprove of this serious change

Case No. 95-031  
Contel Cellular of KY, Inc  
d/b/a Cellular One  
1913 Rudy Lane

Dear Mr. Mills,

The purpose of this letter is to voice our objection to the 138 foot cellular telephone tower which Contel Cellular wishes to erect.

This area is specifically approved for office use only as shown on the District Development Plan approved by the Louisville and Jefferson County planning Commission on March 10, 1995.

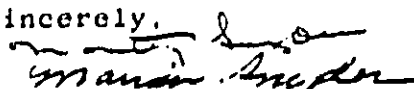

Prior to securing approval for Brownsboro Office Park at 1913 Rudy Lane, the developers met with the City of Winding Falls and displayed a proposal for a well-designed office complex in keeping with the character of the neighborhood. Having secured their zoning approvals, they now wish to locate this 138 foot tower on the property which, if approved, would defeat the Plan Certain Protections on the property.

This proposed tower constitutes an intrusion into the residential area of Rudy Lane and will be most objectional to those of us who live and have families in the area.

We end this letter as we began it - voicing our strong objection to the cellular tower. If the tower had been present prior to the families building and/or purchasing their properties, I sincerely doubt the people presently living in the area and the areas near by would have located on their present properties. Please be aware of the needs and concerns of those of us living in this area. Please heed our pleas.

Thanking you for your attention.

Sincerely,

RE: Case No. 95-031  
Contel Cellular of KY., Inc.  
d/b/a Cellular One  
1913 Rudy Lane  
Louisville, KY. 40207

Dear Mr. Mills,

This is to express my deep concern and strong opposition to the proposed installation of a 138-foot cellular telephone tower at 1913 Rudy Lane here in Louisville.

As you know, the property is NOT FREE--from local zoning requirements; the site is approved only for use as an office park.

To allow the installation and use of such a proposed tower is an outright, inappropriate intrusion into the residential area of Rudy Lane and will be highly objectionable to those of us who live and have families in the area.

Can we not, just once, let well enough alone, and preserve the rapidly diminishing sense of "neighborhood" in this corner of the world?

Thank you for your attention.
